

2026 ALPHAOEGAMATH PARENTS LETTER

Dear Parents,

Warm greetings to you and your family. As we approach the end of 2025, we hope your child's learning experience with AlphaOmegaMath has been enriching and rewarding. We would like to share some important academic and administrative updates for the coming months.

Academic Updates

1. End-of-Year Math Exam Review

Throughout November 2025, we will be reviewing your child's End-of-Year Math exam papers. This review aims to clarify any misconceptions and strengthen key mathematical concepts that are essential for success in the next academic year.

2. 2025 December Classes – AlphaOmegaMath 2026 Syllabus

In December 2025, we will begin lessons based on the 2026 syllabus, covering at least one topic ahead of the school curriculum.

For example, current Sec 3 A-Math students will start learning Sec 4 A-Math topics.

Students who are unable to attend December classes will have opportunities to catch up in the new year.

Administrative Updates

3. Primary School Math and Other Subjects

We are delighted to announce the launch of Primary School Math classes starting in 2026.

In addition, we will continue to offer other Secondary-level subjects such as English, Science, Humanities, and Chinese.

All lessons are conducted by our experienced tutors, trained by former MOE teachers and NIE lecturers.

Please refer to the attached schedule or contact our admin, Fiona, for more information.

4. 2026 Schedule and Fees

The 2026 class schedule and fee structure are now available (please see attached).

We are pleased to continue offering:

- A 10% discount on term payments
- Absorption of the 9% GST, despite rising costs

Term periods:

- Term 1: 1 Dec 2025 – 31 Mar 2026
- Term 2: 1 Apr 2026 – 31 Jul 2026
- Term 3: 1 Aug 2026 – 30 Nov 2026

Our Referral Cashback remains at \$80 per successful referral, redeemable as cash or lesson fee offset. Discounts for multiple subjects will continue to apply.

5. Missed Lessons

Please inform our admin team of any planned absences before making payment.

If lessons are missed after payment, make-up classes can be arranged within two weeks, or video recordings will be provided.

Waivers will only be granted for medical or compassionate reasons. We seek your understanding that no other waivers will be given.

6. Best-Selling Secondary and Primary Math Guidebooks

We are proud to share that our team has co-authored a series of Math guidebooks (Sec 1–4, A-Math, E-Math, and JC H2 Math), now available at Popular Bookstores.

All AlphaOmegaMath students will receive a Complimentary Guidebook and an Essential Formulae Booklet to enhance their learning.

7. New Branch at Taman Jurong Shopping Centre

We are excited to announce the opening of our 7th branch at:

399 Yung Sheng Road #01-31, Singapore 610399

from December 2025 onwards.

Please visit our website at www.alphaomegamath.com for the class schedule and promotional details.
